

IMPORTANT NOTICE

As of July 1, 2023 the Water and Fire District collection policy will be as follows:

- Quarterly bills are sent
- Outstanding balances beyond fifteen (15) days of the initial due date will receive a Demand/ Shut Off Notice
- Payments not received in ten (10) business days following receipt of Demand. Shut Off Notice will result in water being shut off.
- Any service that is shut off for nonpayment will incur a “Turn On” fee of \$200 to turn the water back on. This fee along with the full amount of the past due bill including interest will be required to be paid to the District Collector before the water is turned back on.
